A three-year sabbatical has given ex-Cordoba winemaker/viticulturnist Chris Keet plenty of time to plan the first release under his own name. The result - a five-way Bordeaux blend - has been sourced from many different vineyards, something which Chris says has opened his eyes to a new understanding of the influence of terroir - and human intervention - on wine style and flavour profile. His ultimate aim? 'To combine modern technology and traditional methods in order to make wines with soul.'

### Keets Wines range **NEW**

★★★★☆ **First Verse 09** cab franc-led, 5-way Bordeaux red is like an expensive Swiss watch: classy, elegant & perfect, all the little details present & polished, harmonious: the blackcurrant, the cedary spice (from French oak, none new!), the herbal freshness, the yielding grip. Asks question: If this is *first* verse, what's next? — Panel
